A SERIES IN REVELATION

05.24.20 SERMON RESPONSE

This message exposes four attitudes fear produces. Each one is destructive in its own way. Where have you seen these attitudes cause harm to others?

- Self-righteousness
- Anger
- Division
- Destruction

Which of these four attitudes do you find yourself using when you are fearful? Can you describe a time recently when you showed this attitude?

The end of chapter 7 shows the victory of those who walk with Jesus. In Jesus we find our purpose, place, provision, and our best pastor. How can these bring healing to yourself and even others?

- Purpose
- Place
- Provision
- Pastor

Which do you need to emphasize this week for some of your own healing?

- God's purpose for you? Where can you serve him?
- God's place for you? Where do you need to rest in him?
- God's provision for you? Where do you need to trust him?
- God's pastoring you? Where do you need to follow him?
