**Sermon Response**

**Revelation 14:13-15:4**  
**Bridge Building**

In the message we talked about sympathy and empathy. Where in the Bible do you see Jesus showing empathy? How would the story change if Jesus just showed sympathy?

In your life, where do you see sympathy where empathy would be a more appropriate response?

What are three ways you can foster empathy? How can you better feel someone else's joy and sorrow?
