Sermon Response

Do you understand that God loves YOU? This waiting is an opportunity to know Jesus better. This waiting is actually all about Jesus. It is designed for you to know Him better. During this season of COVID, what have you learned about Jesus?

Do you, like Martha, need to trust IN Jesus, not ABOUT Jesus? Is He simply calling you to trust in Him in some way? If so, please describe it.

Are you more like Mary? Her connection with Jesus was emotional. Do you need to know Jesus weeps as you weep? He shares your broken heart. How does this move you?

And finally, are you ready to see God's Glory in this waiting phase? Because as Jesus moves you through this, He will show Himself to you in new ways. As you obey and trust, He will get the glory. Are you ready to see God's glory?
