

Sermon Questions 09.15.19

During this week's message, we talked about sharing your life. What is the purpose of sharing your life? Why do we, as followers of Jesus, need to invite others into our lives?

Take a few minutes and identify the biggest hurdles people face in inviting others into their life.

What are YOUR top three biggest hurdles to inviting others into your life?

How do Jesus' life and example in ministry help you overcome your hurdles?

In our State of the Church, we asked you to write down the names of 10 people and to pray for them to come to know Jesus. Look over your list. Who on this list can you invite into your life this week? Maybe share a meal or drink together, exercise together, or do what you normally do, just invite them along. Put an asterisk by their name, and share their name with your group. Together your group can pray for each other.
