

# Baptism Sunday

## QUESTIONS TO CONSIDER:

Is there a next step of faith you need to take? Describe it to your group.

Of the reasons listed to NOT take the step of faith, which one(s) would keep you from taking your step of faith?

- The step is unclear – there is no 5 step plan.
- The crowds won't cheer – even though it's a biblical step, it might not be a popular one.
- People may not be nice – even those you know may say mean things.
- There may not be a happy ending – lots of suffering in the Bible for those who follow God's will.

How can trusting God help you take your step of faith? What verses support this trust? If you aren't sure, ask your group to help you find some verses to apply here.

This is baptism Sunday. Describe your baptism through this lens of taking a step of faith. Did anything prolong you being baptized? If so, what?
