Series: Unsubscribed

Title: Humility

Scripture: Matthew 26:30-35, 69-75

Questions to consider:

In what areas of life have you struggled with doubt?

Pride seems to fuel many sins in our lives. Is pride connected to your doubt? If so, how?

Is there a promise or verse in the Bible which could help you put pride and doubt in their proper place? If so, write the verse out here.

Often, we keep our questions to ourselves when we doubt. Talking to wise, godly people can help us navigate our doubts well. Who are you talking to about your doubt? Show them this verse and have them remind you of it as often as needed.
